Presentation

The Scientific Residency in Sociomuseology is a program aimed at postgraduate students, researchers and teachers, oriented towards the study and development of projects, aiming to exchange experiences and knowledge in the field of Museology in general and Sociomuseology in particular, preferably with field of observation and co-creation the Portuguese cultural reality. Each project will be accompanied by a tutor who holds a Doctor's Degree, and applications are permanently open. Successful completion of the Residency results in the awarding of a Certificate of Success. For more information, access the Department of Museology's educational page: <http://museologia-portugal.net/>
