Presentation

The Specialisation Course in Enterprise Funds - Strategy and Management, promoted by AIP and Lus??fona Executive School, trains managers, technicians and entrepreneurs to identify European funding opportunities, structure effective applications and manage co-financed projects. With a practical and results-oriented approach, it covers everything from European Union programmes and financial instruments to the management and monitoring of approved projects. In 36 hours of intensive training, it provides fundamental knowledge to leverage innovative business projects and boost the growth of organisations.
